## Hancock Class Schedule: 2021 - 2022

Classes are now offered every other year. The next class is scheduled to begin September 11, 2021. Classroom meets are weekends only, typically every other weekend. Saturdays from 9 am to 6 pm and Sundays from 8 am to 2 pm, as well as mandatory clinic/on the job training hours where students will rotate work assignments with various commercial wellness providers. It is the student's choice to arrange their schedule when convenient. Seven days of on the job training will be required in the spring of 2022 prior to graduation.
